This section is referred to in section 2265 of this title.

§ 2265. Deposit of money accepted for benefit of National Agricultural Library; disbursement

Any gift of money accepted pursuant to the authority granted in section 2264 of this title, or the net proceeds from the liquidation of any other property so accepted, or the proceeds of any insurance on any gift property not used for its restoration shall be deposited in the Treasury of the United States for credit to a separate account and shall be disbursed upon order of the Secretary of Agriculture.

§ 2266. Congressional reaffirmation of policy to foster and encourage family farms

(a) Congress reaffirms the historical policy of the United States to foster and encourage the family farm system of agriculture in this country. Congress believes that the maintenance of the family farm system of agriculture is essential to the social well-being of the Nation and the competitive production of adequate supplies of food and fiber. Congress further believes that any significant expansion of nonfamily owned

large-scale corporate farming enterprises will be detrimental to the national welfare. It is neither the policy nor the intent of Congress that agricultural and agriculture-related programs be administered exclusively for family farm operations, but it is the policy and the express intent of Congress that no such program be administered in a manner that will place the family farm operation at an unfair economic disadvantage.

(b) Omitted

(Pub. L. 95-113, title I, § 102, Sept. 29, 1977, 91 Stat. 918; Pub. L. 97-98, title XVI, § 1608, Dec. 22, 1981, 95 Stat. 1347; Pub. L. 99-198, title XIV, § 1441, Dec. 23, 1985, 99 Stat. 1560.)

CODIFICATION

Subsection (b), which required the Secretary of Agriculture to submit an annual report to Congress on trends in family farm operations and comprehensive national and State-by-State data on nonfamily farm operations in the United States, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, page 44 of House Document No. 103-7.

AMENDMENTS

1985—Subsec. (b). Pub. L. 99-198 designated first and second sentences as pars. (1) and (2), respectively, and amended par. (2), as so designated, generally. Prior to redesignation and amendment, second sentence read as follows: “The Secretary shall also include in each such report (1) information on how existing agricultural and agriculture-related programs are being administered to enhance and strengthen the family farm system of agriculture in the United States, (2) an assessment of how tax, credit, and other Federal laws may encourage the growth of nonfamily farm operations and investment in agriculture by nonfamily farm interests, both foreign and domestic, and (3) such other information as the Secretary deems appropriate or determines would aid Congress in protecting, preserving, and strengthening the family farm system of agriculture in the United States.”

1981—Pub. L. 97-98 substantially reenacted existing provisions, and inserted reference to tax and credit laws, and investment in agriculture by nonfamily farm interests, foreign and domestic.
